Whitmill open Gibraltar office

We are delighted to announce the opening of Whitmill's new Gibraltar office.

In order to continue to meet the needs of existing and new clients Whitmill has taken the decision to develop a multi- jurisdictional service offer. Whitmill's subsidiary office in Gibraltar will support and enhance our existing services. Focusing on Whitmill's ability to provide a practical approach to clients' needs and our commitment to delivering a highly efficient, personal and professional service.

Gibraltar is part of the British Empire and a Crown Colony. Its unique position at the crossroads of Europe and Africa coupled with its special terms of membership of the European Union enables the provision of a wide range of services to meet the requirements of international investors.

Gibraltar has developed a financial and commercial infrastructure to meet the needs of new enterprises that are seeking a low cost operation based in Europe. As a business location, it provides a high quality professional service overseen by a European standard of regulation.

The two directors, Wayne Meenagh and Minette Compson have been appointed to oversee the management of the Gibraltar office.

Wayne takes the role of Managing Director; as full member of the Society of Trust and Estate Practitioners, Wayne has over twenty years experience with the offshore financial services industry and has been based in Gibraltar since 2002.

As a qualified accountant with extensive offshore funds experience Minette will be responsible for overseeing the financial management of the Company and will also assist in the development of the business.

In brief:

Why choose Jersey for Offshore Funds

Last year Whitmill were granted a fund administration license by the Jersey Financial Services Commission to administer expert investor funds, but why should people consider Jersey as a jurisdiction for funds?

The Gibraltar funds regime

The eventual aim is for Whitmill Gibraltar to offer a similar range of services to Whitmill Jersey. Like Jersey, Gibraltar has introduced an Expert Investor Fund Regime and this has seen significant growth in the last couple of years, but why? What does Gibraltar have to offer?
